Re: US Serial No. 10/025,363, Our Docket 81258DN-R

Per your request I am faxing what we believe to be the papers filed on 03/01/02. We show that an Information Disclosure Statement and References was mailed February 28, 2002 and a Response to Notice to File Corrected Application Papers with Formal Drawings attached was mailed February 11, 2002. We received a return postcard for the Disclosure Statement so, we assume it is the formal drawings you want us to send.

In the future, if you cannot state the specific papers which need to be resubmitted, it would be helpful if the USPTO would supply a telephone number to call (not Customer Service). I called Customer Service, for lack of knowing who to call, and they were not able to help. They commented that they have had many calls and complaints regarding the unclear nature of the Request for Substitute Papers letter. They also commented that they have not been given a contact person regarding these letters.

Since these are formal drawings, we will also be sending these by mail.
